**IMPORTANT:** This issue contains important operating information for all users of RSTARS and ADPICS. Please distribute promptly.

## **In this issue:**

- **MAIN FACS SOFTWARE MODIFICATION – ADDING A NOTE TO AN RSTARS DOCUMENT WITH A PRIOR AY**

The following modification will be in production on Thursday, May 31, 2007:

### **MAIN FACS SOFTWARE MODIFICATION – ADDING A NOTE TO AN RSTARS DOCUMENT WITH A PRIOR AY**

The notepad feature on several RSTARS screens could not be used if the transaction had an AY for a prior year. This has now been corrected and users are able to add a note with a prior AY.

The entry screens affected were:

- S501 Journal Voucher Transaction Entry
- S503 Budgetary Transaction Entry
- S504 Revenue/Receipts Transaction Entry
- S505 Pre-Enc/Enc/Expend Transaction Entry
- S509 Companion Transaction Entry

The following Inquiry screens were also affected:

- S037 Doc Tracking Inquiry
- S039 Approvals by Document
- S086 Document Transaction Inquiry
